The couple has spent all of their lives in and near Mokena. They were married in the Immanuel Lutheran church, which at that time was located about

three and one-half miles southeast of town. They lived on a farm one-half mile northeast of town, where their youngest son Harry, now lives, until eight years ago when they moved into their present home on Third street. Mrs. Yunkers is the former Ida Schweser.

The immediate family honored Mr. and Mrs. Yunkers with a dinner last Wednesday. Also present were Mrs. Fred Yunkers, who was bridesmaid at the wedding, and Mr. Yunkers' brothers, Edward of Orland Park and Nick, Mokena.

OPEN HOUSE FOR JOHN YUNKERS SUNDAY JAN. 24

The open house to observe the golden wedding anniversary of Mr. and Mrs. John Yunkers of Orland Park and which was announced for last Sunday afternoon, was postponed to this coming Sunday, Jan. 24.

The sudden death of William Wischover of Frankfort, husband of Mrs. Yunkers' sister who was bridesmaid at her wedding 50 years ago, was the cause of the change in date.

The open house will be held in the parlors of St. John's Evangelical church at Mokena from 2 to 5 o'clock, to which all relatives and friends are invited.

WILL OBSERVE NATIONAL VFW WEEK JAN. 24

National VFW week will be observed in Illinois from Jan. 24 through 30, according to announcement by Joseph Carnella, commander of the Illinois VFW.

He said that each day of the week has been designated for participation of VFW posts in specific projects.

The commemorative dates are Sunday, religious freedom day, Monday, community service day, Tuesday, jobs for disabled veterans day, Wednesday, VFW national home day, Thursday, youth welfare day, Friday, Americanism and national security day, and Saturday, open house day.

Said Carnella, "To the Illinois VFW, community service means sponsoring programs of direct benefit to neighborhoods, to schools and churches, youth and adult groups, and to individuals not connected with the VFW."

"VFW posts sponsor Boy Scout and Camp Fire girls, aid veterans' widows and orphans, and try to be of service where possible. Recently the Illinois VFW made arrangements for the family of Cpl. Arlie Fete, of Carbondale, one of the 22 unrepatriated Americans, to make a recorded plea in the hope that their son may return home," said Carnella.

Tinley Firemen Dance Saturday

Saturday night Jan. 23 will be a red letter day in the Tinley Park Fire department, for that evening there big annual dance will be held in Saenger hall in Tinley Park.

For the past several weeks the members have been busy giving of their time, making house to house calls in order to sell tickets for the dance. They request in case anyone has been missed or were not at home when the firemen called, to send in their contribution or call a member for tickets. No need to stress how important this is, for when it is realized that new fire trucks and fire apparatus must be purchased, any one knows that every dollar helps.

The officers and members of the fire department are all far-seeing men who are always looking forward for the needs of their department in order to keep it in the best condition. When fires break out in the village it is highly necessary that equipment is of the best and in a condition to cope with any situation. This is the only way the firemen have to achieve that wish. Tinley Park is to be congratulated that they have high calibre and capable men on the fire department who are managing it in a highly efficient manner.

Then too, it must be looked at from the angle of recreation. Everyone needs a little fun in their lives and here is a chance to mingle with the firemen and at the same time help the individual citizen protect their property. As usual, a good orchestra has been engaged. When a good fire department functions in a town, fire insurance rates are in the lower bracket, so that the help is extended from one to another interwoven civic project.

What will the report be next week of the results of the dance? Saturday night will tell.

Lives Up to Slogan "From Oven to Home"

The greatest possible attention to cleanliness, quality and flavor of baked goods, combined with courteous delivery service, has earned a matchless reputation for the Service Bakery, Tinley Park. Here Dave Bacon supervises the wrapping of bread by a machine which puts out 1800 loaves per hour. The plant uses a full carload of flour each week.

—Paul Leland photo

by Esther Hug

The Service Bakery of Tinley Park, situated in an ultra-modern plant at 167th St. and Oak Park ave., and doing an annual business of \$2,000,000, is a far cry from the original Tinley Park bakery that in 1930 had but one truck. It was operated by Henry Kohler, still employed in that capacity by the present firm, and who incidentally, in 1930, inaugurated the home delivery phase of the bakery, owned at that time by William Timmerman. In succeeding years, previous to 1940, the plant was owned by Charles Hollwedel, with 25 employees, 16 inside workers and nine driver-salesmen.

The year 1940 marked a turning point in the firm's history, when the Service Bakery purchased the small plant from Mr. Hollwedel, and went on to greater accomplishments. Fred Fremder, secretary-treasurer, who subsequently became associated with the corporation, (Continued on Page 4)

CARD PARTY

St. Jude's Altar and Rosary society will sponsor a card party Friday night Jan. 29 in the St. Jude's school hall. Mrs. U. L. Henry and Mrs. Clarence Greenman will be in charge of the party. A complimentary lunch will be served.

Three thousand 500 dollars to purchase lighting facilities for the new Lincoln-Way High school will be sought in the broom-selling campaign being conducted under the auspices of the four Lions clubs in the school district.

Every Lion will be given the names of a definite number of residents in his town and surrounding area, and will call in person to sell a broom, a whisk broom or a door mat.

All of the articles are made by blind people in their own factory and are of excellent quality and workmanship, according to Don Wennlund, chairman. Assisting him on final plans are Lincoln-Way Superintendent A. Hunter Chapman, John Scarth, Mokena, as treasurer, Fred Lehmann, Mokena, secretary, and Lions presidents Bob Fredin, Frankfort, Max Barnett, Manhattan, Ray Hoolehan, Mokena, and Fred Feil, New Lenox.

After an informal survey of public opinion the four clubs found that most folks wanted a lighted field as soon as possible and that they were willing to support a move to finance such a project.

Discussions with individuals, high school board members and faculty and public service officials resulted in the cooperative sponsorship plan. A careful study of probable costs indicates that the \$3,500 is the minimum amount needed. This is based on the use of volunteer labor and the purchasing of equipment at cost.

All money raised by the committee can be used only for this particular project. Expenditures must be approved by the four presidents, and no individual club will receive any of the money for its own use.

Said Wennlund: "Every household needs a broom or two, if not today, in the near future. Door mats are also a necessity. No one is being asked to make a donation to a 'cause' but is being asked to buy an essential article at reasonable market prices.

"With every Lion a broom salesman for a few hours, how can we miss?"

ACP Reports Must Be Filed by Jan. 15

Friday, January 15, 1954 is the final date for farmers to file reports on soil conservation practices carried out under the 1953 Agricultural Conservation Program. This reminder was issued today by Adam F. Heisner, Chairman of the local ASC office.

It should be recognized, said Mr. Heisner, that payments can not be made for work accomplished unless this report is filed on time. It's a definite program requirement with which all co-operators must comply.

Most farmers, according to Committeeman Heisner, have already filed their necessary reports. He emphasized, however, that those who have neglected this matter should immediately contact the county office at 157 North Ottawa Street, Joliet, Illinois. Weight tickets and other evidence should be brought in.

PTA CHAIRMAN URGES TEACHER TRAINING PLAN

Mrs. Vincent McDade, Chicago, scholarships chairman of the Illinois Congress of Parents and Teachers, has a challenging article in the October issue of the Illinois Parent-Teacher magazine. It says in part:

"You would think it was a joke if someone told you that you could go to college for nine cents, yet if every parent teacher member in the State of Illinois gave nine cents a year, it would cover the entire cost of helping 150 students with their college training. 'Have you ever been asked what does the PTA do?' We know that the impact of the Parent Teacher movement on American society is tremendous but, even so, it is not always easy to answer that question."

"So many people are willing to leave legislation to the law makers, school problems to the teachers, juvenile protection to the courts and health problems to the physicians, but All Par-

ents are interested in the kind of teachers who teach their children. In Illinois the Parent Teacher people are making it possible every year for approximately one hundred and fifty young men and women to attend college to be trained as competent teachers.

"We can continue to help these students acquire the knowledge and skills we demand of persons who teach our children only if all of us carry our share of the responsibility."

"It is inconceivable that anybody who ever knew a child would not give less than the price of a cup of coffee to help train a teacher. Therefore our task is primarily one of reaching all our people. The amount of money per person is so small and the stake in the future is so great that everybody will want a share. What would happen if every member who reads this told at least two other members about our Parents Teacher Scholarships?"

points out with that the phenomenal growth of the company is attributable to the quality of its products and the excellent and courteous service given by its outside force of driver-salesmen. He also states that the annual payroll is between \$750,000 and \$800,000, with a total of 200 persons employed. 170 in Tinley Park, and the remainder at a loading station in Bradley (Ill.), a few miles northeast of Kankakee.

70 Drivers

The 70 truck drivers working out of Tinley Park, sell the products to many homes and stores in a 60 mile radius. These men live in Tinley Park and nearby towns including Blue Island and Harvey. In the evening four workers load a semi-trailer truck with its nightly shipment for the station at Bradley, where the individual trucks are loaded for the days delivery to their respective territories. The driver-salesmen all work on commission.

A garage recently was erected at the rear of the main plant. There, three mechanics and a greaser are kept busy repairing and servicing the fleet of trucks.

In contrast to the hand processing of 1941, the latest types of time, labor saving and sanitary machines, valued at \$150,000, are utilized in the preparation of the varied line of bakery goods produced at the plant.

ical marvels are those employed in the bread making process. In orderly progress from the mixer to the weighing and shaping machine, to the electronically controlled steam room, to the giant oven which holds 512 loaves—then to the slicing and wrapping operation with a capacity of 2,000 loaves per hour, every precaution is taken to assure the purchaser that "The Staff of Life" is delivered in the finest condition, from a plant maintained at the peak of efficiency and sanitation.

All Automatic

Other mechanical marvels are the Danish roll machine, where all operations except the placing of the rolls in the foil lined combination dispensing and baking box are done by machine. This holds true too, for the doughnut machine operated by one man, and the cookie machine which turns out baked cookies in 8 minutes. Last but not least is the automatic pan washer, that envy of every housewife, which washes and dries the huge stack of baking pans.

Average weekly production totals 85,000 loaves of bread, 20,000 packages of sweet rolls, 5,000 packages of cookies and 5,000 delicious cakes.

Among the vast amounts of ingredients used, flour is the principal one, one full carload a week shipped direct from the mill. Others are 17,000 lbs. of yeast, 14,000 lbs. of sugar, three tons of high grade shortening and 2,000 lbs. of dry milk, along with uncounted eggs and gallons of flavoring.

A new feature of the bakery is the Surplus store, where all merchandise returned by the drivers at the end of the day, is sold at half price.

Mr. Fremder was employed in a supervisory capacity at a bakery in Madison, Wis. before coming to Tinley Park in 1941. He made his home in Tinley Park with his wife and sons, Robert and James, until 1952, when they moved to Flossmoor.

W. H. Maxwell to Run for Treasurer

A petition for candidacy as Will County treasurer in the April 13 primary has been filed by William H. Maxwell, 719 Richards st., Joliet.

He will oppose Ernest A. Carlson, the present chief deputy treasurer and only other candidate who has announced he will seek the post.

Maxwell is a native of Lockport, and in recent months has been employed in the engineering branch of the ordnance ammunition center of the Joliet arsenal. He served 12 years as deputy treasurer and for two years was a deputy county clerk. He was in charge of the tax work while in the county clerk's office.

He and his wife, the former Esther Strom, are members of the Bethlehem Lutheran church, Joliet. Maxwell is a member of the Lockport Masonic lodge and is a past commander of the Harwood American Legion post, a past county adjutant and past district judge advocate. He also served on the state Legion safety committee.

He has long been active with the Community Chest organization, having served 10 years on its publicity committee.

He pledges that, if elected, he will follow the provisions of the state laws, particularly the act providing elimination of the use of factors in tax work. This, he said, will help local assessors and the board of review in carrying out their duties, and will give the taxpayer the correct amount of assessment at the time of publication.

SEEKS 2D TERM AS CENTRAL COMMITTEEMAN

Morton H. Hollingsworth, Joliet, chairman of the Republican State Central committee and state director of finance, has announced his candidacy for reelection as state central committeeman from the 15th Congressional district.

He is a comparative new comer in GOP political circles, and has become an outstanding member of Gov. William G. Stratton's cabinet. He has won high praise for his work in helping to develop the governor's political and administrative programs.

He first stepped into prominence when he was elected chairman of the Republican Central Committee two years ago and then was applauded for his performance in the 1952 political campaigns.

In announcing his candidacy for re-election as central committeeman, Hollingsworth said: "My first desire is to give every assistance to Gov. Stratton in delivering good, honest and efficient government to the people of Illinois. Hence I am seeking re-election to the central committee with the thought that I can be most helpful in that position."

Serving his first term on the central committee, Hollingsworth represents the 15th Congressional district comprised of Boone, Kendall, LaSalle, DeKalb Grundy and Will counties.

Shows Rapid Growth Nazarene Churches

Substantial gains in every phase of international work of the Church of the Nazarene were reported in year end statistics by S. T. Ludwig, general secretary of the denomination, which has headquarters in Kansas City, Mo.

The amount given by members for all purposes—more than 30 millions, is a per capita giving of \$118.33, the largest in the history of the denomination.

During 1953 membership climbed to 258,000, a gain of more than three per cent. The report lists 3,826 established churches in the United States, 117 in Canada, and 97 in other world areas, for a total of 4,040. The church has 265 missionaries and 1,150 native workers on 25 foreign fields.

4H Leader Urges Aid From Members

The Frankfort-New Lenox 4H club met in the Lions den in New Lenox Jan. 12. The meeting opened at 8:15 with the 4H pledge.

Ray Archibald, the new club leader spoke on co-operation from the members in order to make this year a successful one. Bob Oram and Darlene Cleveland were chosen representatives to attend the 1954 4H federation meeting, with Mark Carrie and Wesley Haas as alternates.

EDISON RAISES GAS, ELECTRIC METER RATES

Commonwealth Edison company and its Public Service company division will increase

electric and gas rates by an average of about 6 1/2 per cent with meter readings on and after Feb. 1. This was announced by Willis Gale, chairman, after issuance on an order Saturday by the Illinois Commerce Commission authorizing the company to increase its rates.

The increase, which will apply generally to all users, will raise Edison's gross revenues an estimated \$20,480,000 annually. It is the first general rate increase in Edison's 66 year history as against more than two dozen rate decreases, the last as recently as 1946.

Hear Missionaries At Calvary Church

The Calvary Baptist church featured a series of meetings Jan. 3 to 10. Speakers were the Rev. Dana Larson, missionary from Assam, India, Mr. and Mrs. Clement Walburt, educa-

tors who soon will leave for Ethiopia, and David Sperry, educational missionary on furlough from Ethiopia. All were entertained in the home of Rev. Arthur Contois. A baptismal service Sunday climaxed the series.

Stayton Brothers Sue EJ and E For Accident Injuries

Two Frankfort brothers, Foster and Marion Stayton, are seeking \$150,000 from the Elgin, Joliet and Eastern railroad for injuries allegedly suffered July 27 when their automobile and a J locomotive collided at the Sauk trail crossing, a mile east of Frankfort. They are asking \$75,000 each.

The complaint charges that the locomotive did not give a warning signal, that the crossing has no gates or warning signals, and that bushes and trees

obstructed Foster's view of the oncoming train.

Foster suffered a fracture of the left arm, severe internal injuries and lost several teeth, and Marion had a collapsed lung, fracture of ribs and back and severe internal injuries, it was alleged.

ALPINE

Mrs. E. Mrosek
Orland 41-J-1

The regular monthly meeting of the Maue PTA was held in the school Wednesday evening. Mrs. Owen Maue, Mrs. Edward Mrosek and Mrs. Raymond Krierniemer were elected to serve on the nominating committee. An entertaining and educational movie "The ABC of Hand Tools" was shown. A social hour during which refreshments were served followed. Hostesses were Mrs. Arthur Maue, Mrs. Herbert Cooper and Mrs. Stanley Kovekik.

Aaron Simrell, Raymond Krierniemer and Edward Mrosek, Maue school directors, held a special meeting in the latter's home Thursday evening. Heating and plumbing problems of the school were discussed.

Another meeting of the Board was held at the school Saturday afternoon. It was decided that certain changes in the plumbing system would be made. The next regular meeting was scheduled for Friday evening, Jan. 29, in the Mrosek home.

Walter Reeves, son of Mr. and Mrs. Albert Reeves, who has been complaining about soreness through his back, was taken to a doctor Thursday evening for examination. It was learned that a slight curvature of the spine was the cause of his distress.

Mr. and Mrs. Raymond Cameron, daughters, Karen and Lois, of Chicago, were Friday evening guests of Mr. and Mrs. Henry Cripps.

Margaret Ann, two months old daughter of Mr. and Mrs. Albert Reeves, and their four year old son, Marvin, are ill with chickenpox.

Miss Pamela Cripps, daughter of Mr. and Mrs. Henry Cripps, is also ill with chickenpox. Her brother, Tommy, only recently recovered from this illness.

Children of Maue school enjoyed a holiday Friday, while their teachers, Mrs. Lembke and Mrs. Brown visited other schools.

Mr. and Mrs. Edward Mrosek Carla and Edward, visited with Mr. and Mrs. James Connolly in Oak Forest Friday evening.

The Edward Mroseks joined the Stuart Culps in the latter's home Saturday for an evening of Canasta.

Twilight, a regal black cat belonging to Karen Black, very graciously permitted herself to be used by Maue's lower grade students in one of their science experiments recently. Casts were made of Twilight's footprints and later she obligingly made tracks in the snow so that her prints could be studied and compared with those of other animals.

Mr. and Mrs. Garrett Cummins drove to Ottawa Friday where they had been called by the death of his mother, Mrs. Edgar Brust. They remained to attend the funeral Saturday as did their daughter and husband, Mr. and Mrs. Roy Walker of Alpine. The Cummins returned to Ottawa Sunday to visit with his father, Edgar Brust, who is seriously ill with a heart condition.

Arthur and Jimmy Walker, sons of Mr. and Mrs. Roy Walker, spent the week end with their grandparents, Mr. and Mrs. Arthur Walker, in Chicago.

Two Alpine housewives, whose waistlines have gotten a little out of proportion, are engaged in a weight reducing contest. Both are on the same diet and both are happy because the diet permits them to eat all they want so long as they limit themselves to certain kinds of food. Their husbands are keeping mum about the whole idea.

National Tea Buys Chain Stores to Bring Total to 717

The consolidated sales of the National Tea company for 1953 amounted to \$462,301,069, an increase of 14.09 per cent over

1952, according to H. V. McNamara, president.

This is the largest volume of sales in the company's history and the 11th consecutive year a new high has been reached. The company also announced the acquisition of the Capitol Stores, Inc. a chain of 28 grocery stores in Louisiana. Norman Stephenson formerly superintendent of Chicago branch operations has been appointed branch manager.

The addition brings to a total number of stores operated by National Tea and its divisions to 717 in the 10 states of Illinois, Indiana, Iowa, Louisiana, Michigan, Minnesota, Missouri, North Dakota, South Dakota and Wisconsin. The company also operates three meat packing plants in Fergus Falls, Minn., St. Louis, Mo. and the largest in Denver, Colo., from which National secures its supplies of U. S. government graded beef.

During 1953 National Tea moved into fifth position among the largest food chains in the United States.

In May, 1953, the company announced the acquisition of the Food Center stores in St. Louis, taking over operation of 28 super markets and a meat packing plant. It also revealed that three and one-half millions would be spent on 10 new super markets in St. Louis.

Other expansion moves in recent years were the purchase in 1952 of the George T. Smith Market Baskets, Inc., Lansing, Mich. and the Dole super markets in Kalamazoo and Battle Creek. Thus National acquired 12 large super markets in the Western Michigan area and the branch has since been expanded to include 22 new stores and a new warehouse in Kalamazoo, Mich.

National also bought the 211 stores of the C. F. Smith Stores company in Detroit. Recently it announced a 10 million dollar program for Detroit and southeast Michigan. Also in 1952 it purchased six food stores in Duluth and 21 super markets of the Gamble chain.

"I'm really sitting pretty . . . My folks save at Harvey Federal Savings"

"When I found out why Dad keeps our savings at Harvey Federal Savings, I knew my future was in good hands. At first I thought it didn't matter where he saved, as long as he did save. Then I heard about the higher earnings that savings earn at Harvey Federal Savings. Dad says these higher earnings are added to his account twice each year. That means there is a big helpful boost in his account every six months. Dad's savings funds are completely safe, too, 'cause at Harvey Federal Savings every account is insured up to \$10,000. Higher earnings and complete safety mean my future is practically guaranteed. That's why I can say I'm really sitting pretty. You can be, too, if you save regularly at Harvey Federal Savings."

Endorsement of a petition, to and lumberyard, He stated that rezoned from family residence to light industry a three-acre tract at Cicero ave. and the Michigan Central right of way in Rich township has been made by the villages of Matteson and Richton Park.

Both Frank E. Allemong, Matteson president, and Cornelius Kloosterman, Richton Park trustee, said that the area in question would be ideal for industry. By paying more taxes than residents, industry helps to support the schools, it was said. An option to purchase the land is held by Feiz Stawicki, lumber dealer, who said that if rezoning was accomplished he would locate a building contractor's equipment business it would sell to retail customers.

low told me that he had his ire
up and was really going to bowl
so after checking his scores, he
better come cowering on an am-

lost two to INR. Logan Rick had
208-539 for INR. In comparison
to average, June Holt did the
best for Goebel's with 168-403.

Kelvin Grove Takes Mokena at Lockport
The Mokena bantam weight
team came within one basket of
entering the finals of the Taft
Tournament at Lockport Thurs-
day. Kelvin Grove defeated the
Mokena team 19-17 with the
winning basket scored just thirty
five seconds before the game
ended.

Mokena, playing its best game
of the year, had led the top rated
team of the tournament
throughout. Late in the third
quarter Mokena held a six point
lead but Roger Swart left the
game on fouls just as the quar-
ter ended and his rebounding
ability was missed for the re-
mainder of the game.

Mokena jumped off to a lead
on first quarter baskets by Por-
ick and Lehmann. Sayers and
Porick scored again in the sec-
ond period and Mokena led 9-6
at the half. Porick's basket in
the third period and one by
Swart and a free throw pushed
the score to 14-12 starting the
fourth quarter.

Kelvin Grove went ahead
16-14 but Sayer's free throw
and Lehmann's basket regained
the lead for Mokena 17-16 only
to have Kelvin Grove win in the
last seconds.

Braidwood Arrows
Take 2 from Mokena
The Braidwood Arrows in-
vaded Mokena for two games on
Jan. 11 and proved to local fans
why they remain unbeaten in
league play. They defeated Mo-
kena in both games, beating the
lights 45-17 and the heavies
56-38.

The lightweights stayed close
in the first game until the final
quarter when Braidwood out-
scored Mokena 18-3. The heavy-
weights trailed 26-3 at the half
but in the second Mokena was
able to outscore its rivals and
pull close until the final min-
utes. Mokena plays their next con-
ference game against Frankfort
January 22 in Mokena.

Limestone Team
Takes Bantams
In Tourney
The Mokena Bantams were
beaten by Limestone 26-13 Sat-
urday in a game played for
third place in the Taft tourna-
ment. The Mokena team was
lost through superior rebound-
ing and shooting by the taller
Limestone team.

Mokena stayed close for the
first quarter trailing only 5-4,
but Limestone lengthened the
lead to 7 points at the half by
out scoring the home team 9-3
in the second period.

Mokena's inability to shoot as
well as they had in previous
games of the tournament and
their poor success at the free
throw line made it a fairly easy
conquest for Limestone. Credit,
however, should go to the Mo-
kena team for their fourth place
finish in this group of eleven
outstanding grade schools.

Bremen will play the Morgan
Park Military Academy basket-
ball team Saturday at Morgan
Park. Wrestling events have
been scheduled for today with
Rich township High school in
the Rich gymnasium, and Reavis
High school Saturday in Brem-
en gymnasium.

BASKETBALL

The first place Mixed Church-
es team, the second place Meth-
odist had to come from behind
to keep pace in the Tinley Park
Church league.

In the opening thriller, the
Catholic lost a tough one to the
Methodist by a 38 to 36 score as
Jack Tomlinson scored a basket
on two free throws in the last
minute of play to set up the vic-
tory.

The Mixed team lead 19 to
16 at the half and then Tomlin-
son hit 15 of his 19 to keep his
team in first place.

Terry Gallagher paced the
loser with 11 points, while Roy
Mortensen pumped in 10. A
fighting last place Lutheran
team kept pace with the over
scoring Methodist team for over
three quarters, but fell to de-
feat in the last 2 minutes to the
tune of 40-29.

Trailing 19 to 16 at the half,
the Lutherans fought back and
tied the score at 29, all with but
two minutes to go, two quick
buckets and a couple free throws
ruined their chances for the
upset of the year.

Dale Hartwig paced all scor-
ers with 18 points as he took
over the league scoring lead
again, while Elmer Gintner paced
the winners with 14.

Next week finds the Metho-
dist playing the Catholic at 7:15
and at 8:30 the first place Mix-
ed plays the last place loser.
